Save and fly with Citi Royal Orchid Plus Pay

Citibank has partnered with Thai Airways International (THAI) in introducing Citi Royal Orchid Plus Pay with Points.

Credit-card reward points are boosted in value for people who book full-service flights. Citi Royal Orchid Plus rewards points can be redeemed for instant discounts on THAI and Thai Smile airfare. Cardholders can save and enjoy greater convenience in making purchase via their smartphones.

The Citi Royal Orchid Plus Pay with Point programme can be used to purchase air tickets, Royal Orchid Holidays packages and merchandise at THAI offices and the airline's website.
